

Books for Schools

One of the main aims of the SVST Vision & Development Plan is to take the truth into schools, and ensure that it is heard by more and more young people in the Stort Valley secondary schools and primary schools. In order to achieve this vision, we have been exploring alternative methods of taking the gospel into schools and as a result have been looking at resources for primary and secondary school libraries that explain and/or explore Christianity.

The books identified are as follows:

Primary Schools

The Big Picture Story Bible
Ten boys who changed the world
Ten girls who changed the world
God made snot

Secondary Schools

Don't Panic – The Ultimate Exam Survival Kit
The Graphic Bible
Everything you want to know about the Bible
The Hiding Place, Corrie Ten Boom - biography

These books have been chosen in order to ensure a variety of topics and genres both non-fiction and fiction, including bibles, bible guides, living the Christian life, Christian stories and biographies.

If you would like to support this work, we would welcome donations for one or more 'packs' of books (£30 per pack) which can then be presented to Schools. Supporters / Partners can select the schools they wish the books to go to, or SVST will allocate them on your behalf where there is most need. There will be a label in each of the books displaying the SVST logo. Please contact Anna Hicks through enquiries@svst.org.uk if you would like to help. Your generosity makes a huge difference – we truly appreciate your support.

Please do continue to pray for the work of SVST and for the effectiveness of these books as they go into Schools.
