

Prayers April/May 2010

SVST Primary School / Church links project

Thank you for praying for this project which aims to work with Churches and local primary schools to increase the numbers of children exposed to the Good News in schools and, through the Holy Spirit, increase the numbers of children in a positive relationship with the Jesus Christ.

Through the power of prayer, your invaluable support is bringing the joy of Gods' love into the hearts of local children who would otherwise not hear the message of salvation. Please keep praying; as we are told in Mathew 7:7; that God will bless this project, its aims and its workers.

Over the next few months the focus is shifting from schools to local Churches to find out what is being done at the moment and what Churches are aspiring to do in primary schools. Help us to "listen, listen, and listen more"ⁱ..... so we can build good relationships and help local communities respond to what they hear the LORD ask of them. Please pray that people are moved by the Holy Spirit to be willing to do what they can, help us all to be enthusiastic, small cogs in your great works Father.

Pray that we - schools, churches, staff and volunteers work together as one body so that "the parts of the body we think are less deserving are the parts to which we give the most honour. We give special respect to the parts we want to hide." 1 Cor 12:23. LORD help us all to remember what is out of our sight should not be out of mind. School assemblies may be a child's only opportunity to worship. For those of us living outside of a school setting help us acknowledge this worship and give it honour.
